Nestled within the bustling Fifth Ring Road of Beijing, Purple Jade Villa is an urban green oasis, hidden away in a thousand acres of luxuriant urban forest.

Here, we collectively create a luminous world of water and air, shutting out all the noise of the outside.

Purple Jade Villa is the only community in China that holds the *Chinese National Key Protected Wildlife Breeding License*, providing a rare urban sanctuary for sika deer, alpacas, capybaras, black swans, peacocks, and grey herons to thrive and propagate.

Staying at **Zhi Resort · Beijing** offers a genuine experience of animals' affectionate encounters with guests, where one can savor those subtle, heartwarming moments of connecting with pure souls.

The reverence for nature extends into the hotel rooms, blending indoor and outdoor spaces imbued with a natural ambiance, while meticulous design carefully preserves each guest's privacy.
